

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE TARIFF FILING OF SEDALIA WATER)	
DISTRICT TO ADD A POLICY FOR THE BILLING)	CASE NO. 2004-00180
OF CERTAIN CUSTOMERS)	

ORDER

On April 14, 2004, Sedalia Water District ("Sedalia") submitted proposed revisions to its tariff to provide for free service to certain customers. It proposed that these revisions become effective as of May 1, 2004. As KRS 278.180(1) requires that a utility provide the Commission with 30 days' notice of any rate change or revision and as Sedalia's proposed effective date does not provide the Commission with such notice, the Commission finds that the proposed revisions could not become effective until May 14, 2004 – 30 days after Sedalia's submission. While the proposed revisions became effective on May 14, 2004, the Commission finds that an investigation should be established to determine their lawfulness and reasonableness.

IT IS THEREFORE ORDERED that this proceeding is established to investigate the reasonableness of the proposed revisions.
